Excellence

Cover your client with dependable protection and excellent value

In today's hectic lifestyle, the last thing people want to worry about is insurance. But we know this is one of the most important decisions a person can make. Being under-insured or improperly insured can lead to financial disaster.

At AMIS we understand that you need to offer your clients coverage they can depend on. We offer some of the better coverages coupled with competitive prices, and our programs are widely recognized for fair, timely customer service and claims service.

Headquartered in North San Diego County, AMIS is one of the major providers of niche-markets throughout the United States. Since our agency was established in 1987, our primary endeavor has been to furnish agents/brokers with specialized insurance products for their customers. The philosophy upon which AMIS was created is still the benchmark of our success: "Big enough to serve, Small enough to care".

Why choose one of our niche markets?

- Private Investigator/Insurance Adjuster Quotations within 24 hours
- Some of the broadest coverages and competitive premiums
- Superior Knowledge of niche markets
- Specialized coverages can be added to the policy to assist your customer(s)
- Cutting-edge specialized insurance products
- Specially tailored coverage for many niche insurance products
- Receive maximum return for your customer's insurance dollar
