Praise for Progressive Claims Service.

"After we bought Progressive RV insurance, we were involved in an accident that caused our RV to catch fire, totaling the vehicle. I didn't even realize that we had Total Loss Replacement coverage until I was told. Our claims rep helped us every step of the way, and we had our new RV within two weeks."

"A live power line fell on our RV, catching it on fire. It was totaled. Progressive replaced our vehicle quickly. They found us a brand new model with features that equaled or exceeded what we had before, and delivered it right to us. Everyone at Progressive was very helpful and courteous."

We provide coverage for your specific needs, with policy options including:

- Total loss replacement – replaces your RV with a new model of similar make and quality if yours is totaled
- Replacement cost of personal property – we pay for new items if stolen, damaged or lost
- Emergency vacation expense – if your RV is damaged during a trip, you'll get up to \$2,000 for lodging and transportation, so you can still enjoy your vacation
- Disappearing deductibles – your deductible decreases 25 percent every year you are claim-free. That means no deductible after four years!

- Full timers coverage – you get extra coverage if your RV is your home
- 24-hour roadside assistance – don't worry, we know to send a tow truck that can handle your RV

Work with people who really understand RVs.

Progressive has been insuring RVs for more than 25 years.

- We're America's #1 brand of RV insurance through independent agencies

Auto Insurance won't cover you like this.

Most people simply add an RV to their auto policy. But RV insurance should cover more than auto insurance. Consider:

- You have many items in your RV that you would never keep in your car – like clothing, jewelry, binoculars, VCRs, laptops, camcorders or outdoor gear.

- When you park your RV at a campsite, you may be liable for the area around it. If someone is injured, you may be responsible.
- If your RV is damaged while you are traveling, you'll need a place to stay and a way to get there.

In most cases, none of the above is covered when you insure your RV through a standard auto policy. The difference could cost you thousands.
